

Ordinary Meeting of Council Minutes

Tuesday 19 February 2019
Ordinary Meeting 6.00 PM

Council Chambers, Civic Centre,
Stuart Highway, Katherine

TO BE
CONFIRMED

**MINUTES OF THE ORDINARY MEETING OF KATHERINE TOWN COUNCIL HELD
AT THE KATHERINE CIVIC CENTRE TUESDAY 19 February 2019**

1. WELCOME TO COUNTRY

I am honoured to be on the ancestral lands of Katherine's Aboriginal peoples. I acknowledge the First Australians as the traditional custodians of the continent, whose cultures are among the oldest living cultures in human history. I pay respect to the Elders of the community and extend my recognition to their descendants who are present.

2. OPENING PRAYER

Grant O God to this Council wisdom, understanding and sincerity of purpose in the Governance of this Municipality. Amen

3. PRESENT

Mayor Miller Fay Miller
Deputy Mayor Lis Clark
Alderman Peter Gazey
Alderman Jon Raynor
Alderman John Zelle
Alderman Toni Tapp Coutts

In attendance

Mr Robert Jennings – Chief Executive Officer (CEO)
Mrs Claire Johansson - Chief Operating Officer (COO)
Mr Peter Reeve – Executive Manager Infrastructure &
Environment
Ms Rosemary Jennings – Executive Manager Corporate &
Community Development (XCCD)

Ms Sue Crammond (EA) – Minute Taker

MLA Sandra Nelson
4 x members of the Katherine Community
1 x member of the Media

4. APOLOGIES AND LEAVE OF ABSENCE

Apologies: Alderman Matt Hurley

Leave of Absence: Mayor Fay Miller – 26 February – 17 March 2019

5. CONFIRMATION OF PREVIOUS MINUTES

File: Local Governance / Council Meetings / Confirmation of Previous Minutes

MOVED: Clark / Zelle

5.1 That the Minutes of the Ordinary Meeting of Council held on the 22 January 2019 be confirmed as true and accurate.

CARRIED 6 / 0

6. **BUSINESS ARISING FROM PREVIOUS MINUTES**

8. **MAYORAL BUSINESS TO BE CONSIDERED**

File: Local Governance / Council Meetings / Mayoral Business to be considered.

Meeting with Commander Michael Hebb and Superintendent Daniel Shean
Meeting with DLPE
Meeting with Children and Families
Meeting with Australian Army Cadets
Meeting with Katherine Times
Australia Day Ambassador and Nominees Dinner
Meeting with CEO
Meeting with Minister Lauren Moss and advisors
Australia Day celebrations at GYRACC and Katherine Country Club
Meeting with residents x 2
Teleconference with Karen Sheldon/Saltbush Enterprise Education
Katherine Development Consent Authority
Chamber of Commerce/Police Information Session
Welcome to Tindal Expo
Meeting with Defence personnel re Tindal expansion
Big Rivers Regional Economic Development Committee
Katherine Video discussion
Teleconference with SAVILS re Oasis Shopping Centre Management
MacFarlane Primary School – launch of student's book
Travelling Film Festival opening
Get to Know Gamba Grass – CDU Rural Campus
Waitangi Day celebrations – Katherine Sports Grounds
Ministerial Advisory Council for Senior Territorians – Parliament House
Opening of NT Legislative Assembly 2019
Meeting with Minister Gerry McCarthy
Meeting with Mark Crummy – Tourism NT
Meeting at Senator Scullion's office

Questions on Mayoral Meetings:

Alderman Gazey – Your visit from the Army Cadets – what was the topic?
Mayor Miller – The Cadets are interested in setting up a group in Katherine, of which I am very supportive. I provided some suggestions for venues for their activities. Kalano Community were approached and the Kalano CEO is keen to be involved.

Alderman Gazey – Will this clash with Airforce Cadets, i.e. impact their number of participants?

Mayor Miller – The Army Cadets are focusing on a different demographic. They are looking to primarily engage disengaged youth. They visited with a number of different groups during their Katherine visit and were able to target their cohort.

Alderman Tapp Coutts – The Army Cadets will stage very different activities to those of the Airforce Cadets. Army Cadets focus is on camping trips, drills and other discipline based outdoor activities.

Alderman Raynor – A brief on the Savills teleconference?

Mayor Miller – Savills have had a recent change of personnel. They are keen to engage with the Council and to align with the revitalisation of the CBD. We have an onsite meeting in the planning where we can further engage in these discussions but also look at the more immediate projects like painting. We did ask for shaded carparking, but that will be some time off yet.

Alderman Clark – Details on the Mark Crummy meeting.

Mayor Miller– Mark has been with Tourism NT since Nov 2018. Mark has many years of experience in tourism and is especially knowledgeable on Katherine. It was a good meeting which revealed a commonality of ideas around tourism for Katherine. Mark is a very strategic operator and we look forward to the continuation of the positive relationship with Tourism NT.

Alderman Gazey – Australia Day Ceremony?

Mayor Miller– Alderman Gazey is alluding to his upset about Alderman Zelle winning the tie competition. However, the judge was an independent one with good taste in attire! Well done Alderman Zelle and family for creating the winning tie.

13. REPORT OF OFFICERS

13.1 MONTHLY REPORT OF THE CHIEF EXECUTIVE OFFICER – JANUARY 2019

File: Local Governance / Council Meetings / Chief Executive Officer Report

MOVED: Tapp Coutts / Clark

Mayor Miller – Federal Minister McKenzie's office rang me today to inform me that \$200K grant put in by KTC officers to upgrade the playing surface at the sportsgrounds was successful. That is great news for our sporting community.

CEO – Rodeo and Campdraft tender – Tender closed on 6 February, with no submissions received. Council Officers are looking possible changes to the tender that may make it more attractive for tenderers.

CEO – McAdam Road – The report was to come to this meeting, but after the site visit, elected members have asked for further advice. The report will not form part of this meeting.

Mayor Miller – At the 2019 Year Ahead presentation by the Chief Minister on Monday 18 February, it was said that the "no go boundaries" for Hydraulic Fracturing will be released very soon.

Alderman Gazey – Were they in favour of our suggestions on boundaries?

Mayor Miller – There was no indication that they were not.

Alderman Raynor – The \$200K Federal Grant money for the Oval, is this in addition to original funding? If so that mean the full upgrades will be going ahead?

CEO – We need to work out the details. We have \$300K from NTG, a further \$206 estimate as Council's contribution. The additional \$200K from the Federal Govt, was for some sustainability items, such as irrigation. As we were notified of the additional \$200K today, we need to consider the project's funding aspects.

Mayor Miller – Its very good news and means we can upgrade the ovals properly.

Alderman Tapp Coutts – Single use plastics policy – It has been 8 months since this was flagged. Is there an update?

CEO – Not much progress has been made due to other major priorities. Our Sustainability Officer has been working on the Sustainable Events document which should be available in draft very soon. The report includes single use plastics among other sustainable practices.

Alderman Zellely – Progress on the multi-use waste shredder update?

CEO – Mayor Miller and myself visited with Minister McCarthy and the Minister's advisor in Darwin (12 February). He has requested further information on the shredder, not on the machine itself but the governance structures on operational matters of this shared resource. There is still a bit of work to get that together. This matter has held up the purchase of the smaller \$60K shredder as, if we get the larger shredder there won't be a need for the smaller one.

Alderman Gazey – Street lights – 16 requests vs 8 responses. Is there some information on that?

XIE – There were 4 double ups on the same request. One item was reported three times and 3 entries recorded. In essence, all the requests were managed for the month. It is now an administration matter to clear up the incomplete responses.

Alderman Clark – Have we got the new digger?

XCCD - Yes, digger arrived last year. This items refers to a matter raised at a previous Council meeting where the hire of a digger was questioned.

That it be recommended to Council:

That the Chief Executive Officer Report for the month of January 2019 be received and noted.

CARRIED: 6 / 0

13.2 MONTHLY REPORT FOR CORPORATE AND COMMUNITY DEVELOPMENT – JANUARY 2019

File: Local Governance / Council Meetings / Corporate and Community Services Reports

MOVED: Tapp Coutts /Gazey

Mayor – Congrats for Australia Day event. It was an excellent event. The winners were difficult to choose as they would have all been worthy of the win. I wish the winners and all the nominees, all the best in their endeavours this year.

Alderman Tapp Coutts – VIC really still punching way above their weight. Sales/visitor figures are wonderful and a massive increase on last year. The staff are selling the Katherine product extremely well.

Alderman Gazey – I would like to recognise the Australia Day Ambassador, Bridie Duggan for her excellent ambassadorship at this year's ceremony.

Mayor Miller – We are extremely proud to have our own local Australia Day Ambassador, Bridie Duggan. Bridie delivered an incredibly relevant speech in a style that indicated public speaking is one of her many strengths. It was great to have Bridie there for this special occasion.

Mayor Miller – The Library has recorded a big jump in number of computer users this month. Is that due to the school holiday program?

XCCD – That could be a contributor. I will provide further information.

That it be recommended to Council:

That the report of the Corporate and Community Development Report for the month of January 2019 be received and noted.

CARRIED: 6 / 0

13.3 MONTHLY REPORT FOR INFRASTRUCTURE AND ENVIRONMENT SERVICES – JANUARY 2019

File: Local Governance / Council Meetings / Works and Services Division Reports

MOVED: Clark / Zelle

Mayor Miller – Cenotaph is not looking as good as it could. The wrong plants were put in and they are not growing well. Deputy Mayor Clark with Alderman Raynor visited the site and will, over time, sort out what needs to happen. The first event for the year is ANZAC Day and we would like it looking tip top for that.

Alderman Gazey – I note an item where RADS security company installed temporary fencing at the Dialysis Unit? What was the reason for that?

CEO – Maybe due to storm damage. Possible RADS were helping with emergency repair works.

Alderman Raynor – Sprinklers – are we checking that sprinklers are working during the wet season? We are not recording any damage, which is good, but concerned that maybe due to no inspections being conducted?

CEO – Will take the question on notice.

Alderman Raynor – I would like to extend my regards to the Depot staff who worked many additional hours to clean up roads and other areas after the recent storms. Well done and well appreciated.

That it be recommended to Council:

That the report of the Infrastructure and Environment Services Report for the month of January 2019 be received and noted.

CARRIED: 6 / 0

13.4 MONTHLY FINANCE REPORT – JANUARY 2019

File: Local Governance / Council Meetings / Finance Reports

MOVED: Clark / Zelle

Mayor Miller – Rates and weighbridge debtor analysis. Is it worth getting someone in to focus on recovery of those debts as has happened in previous years?

XCCD – That is a strong possibility we are consider. However, the change over to new systems had created a bit of a backlog, but this is in the majority sorted and should now allow us to focus on collection activities.

COO – The Weighbridge debtor is largely one particular debtor. We provide service to them and them to us. There is a conversation required to get this debt recovered.

Alderman Gazey – Pg 21 - Infringement for Animals remains steady. Previous report indicates 12 dogs were returned to their owners. Were dogs paid for up front?

XCCD – There are different charges for impounded dogs – general income for registration fees if the dog is not registered. Then the daily impound fees, calculated on the number of days the dog is at the pound. Both fees must be paid before the dog can be release to the owners. An Infringement Notice can also be issued, which must be paid on the due date (14 days from the date of issue).

Deputy Mayor Clark – Tompink Consulting – Was this the only invoice that was done for showgrounds access road?

XIE – Yes, the amount of \$11,500 was for the design of the access road out toward the future camping area. That's the only account.

Deputy Mayor Clark – What is the Brighton Council for? An amount of \$64K.

XCCD – It was the implementation work to change over to the new Property Wise software system, plus the 12 month annual fee for service.

Alderman Gazey – Plumbing at the Airport, water main. Can we claim that back from anyone or are we solely responsible?

XIE – Not sure of all details, but believe it is solely a KTC responsibility.

Alderman Raynor – Pg 28, Damaged hose on traxcavator. This seems to be a every month incidence. Is there proper training for staff using this equipment?

XIE – This is a common occurrence with traxcavators working in landfill sites. The machines are purposefully low to the ground to alleviate roll overs. However, a major problem is the management of the landfill. Sorting of waste at the tip face is not adequately controlled and mixed waste is the result. The Traxcavator

can get caught on a piece of timber or metal that shouldn't be on the tip face. I believe better management at the tip face may lessen the incidences of damage.
Alderman Raynor – Extending the life of the current WMF is a priority. What are we doing about that?

CEO – Our Sustainability Officer is working on this. Extending the WMF lifespan will be assisted by the multi shredder, as we can better compact waste. As the plan develops, EMs will be kept updated.

Mayor Miller – A major amount of work has already been done in the area, but there is still a long way to go. And yes, it is a priority item for Council.

Alderman Zelley – Pg27, NB Surveyor for \$5089?

XIE – Our PM confirms the survey was for an irrigation system.

Alderman Gazey – Pg 27 Scatts Plumbing for airport. There are two entries for a repair. Is that a double up?

XCCD – This likely is part of the payment descriptions limitation. I can provide a breakdown to EMs on the details.

That it be recommended to Council:

That Council endorse the Financial Report for the month of January 2019.

CARRIED: 6 / 0

13.5 STREETLIGHTS UPDATE

File: Local Governance / Council Meetings / Infrastructure & Environment Reports

MOVED: Clark / Zelley

XIE – With the publication of this report, P&W initiated a meeting with Council. Power project were also invited. We discussed the official drawings contained in the agreement and agreed they were not clear. P&W undertook to provide better clarification of the drawings. There is a disconnect between Power Projects and P&W. Power Projects report lights are operational, but there is a problem with the P&W infrastructure not operating which is causing the failures. However, there have been significant delays with P&W response times to Power Project requests. P&W will draft a service agreement with Power Projects to overcome these issues. P&W also have a demarcation area too, where trees fall onto power lines. One crew remove the debris and another crew reconnects lights. This doesn't always happen quickly - they are looking into how to resolve it.

This is important from a KTC customer service perspective that all parties talk together, as at present, KTC are perceived as not being able to provide services to our residents. Overall, it was a positive meeting for all three parties.

That it be recommended to Council:

1. That Council endorse the action taken to date.
2. That a further report be provided to Council when further information is obtained.

CARRIED: 6 / 0

13.6 CONSENT TO ACCEPT LOT 3275 AS A COUNCIL ASSET

File: Works / Reports / Reports 2019 / OMC General Reports

MOVED: Tapp Coutts / Gazey

Deputy Mayor Clark – Has the turf been laid or will Council be doing the landscaping?
Mayor Miller – On a recent drive by, it looked like a vacant block of land with no infrastructure or grass there yet.
CEO – We will check whether the items mentioned as conditions have been done. Council could amend the recommendation to “based on the completion by DIPL of the works required, i.e. pathway, solar lighting, irrigation, bollards and landscaping”.

That it be recommended to Council:

That Council endorse the consent to approve the acceptance of Lot 3275, 86 Casuarina Street, Katherine East and affix the Common Seal.

That the recommendation be amended to include “based on the completion by DIPL of the works required, i.e. pathway, solar lighting, irrigation, bollards and landscaping”.

MOVED: Raynor / Clark

CARRIED: 6 / 0

Amended Recommendation

That Council endorse the consent to approve the acceptance of Lot 3275, 86 Casuarina Street, Katherine East based on the completion by DIPL of the works required, i.e. pathway, solar lighting, irrigation, bollards and landscaping and affix the Common Seal.

13.7 LOCAL GOVERNMENT ASSOCIATION OF THE NORTHERN TERRITORY – GENERAL MEETING IN KATHERINE

File: Government Relations / Meetings / LGANT / Meetings

MOVED: Clark / Tapp Coutts

Nominated:

Alderman Gazey moved to nominate Deputy Mayor Clark. Nomination seconded by Alderman Tapp Coutts.

CARRIED: 6 / 0

Alderman Tapp Coutts moved to nominate Mayor Miller. Nomination seconded by Alderman Zellely.

CARRIED 6 / 0

Mayor Miller – I would like all EMs to be present at the General Meeting, to see how the meetings operate and how decisions are made with regional and municipal councils. I would like all EMs to go to the conference dinner on 10 April.

Alderman Tapp Coutts – The agenda should be out by the end March. This is a great opportunity to show case the town to our visitors. Councils from across the Territory attend this conference and it is inspiring to see what they are doing. The smaller isolated Councils, i.e. Tiwi Islands are doing great work. LGANT will be expecting over 100 people from all across the territory. Perhaps we could assist promotion on the number of visitors expected to be in town etc.?

Mayor Miller – Some visitors will come before and stay after the meetings are over, just to have a good look around.

That it be recommended to Council:

1. The nominated delegates be recorded.
2. The nominated delegates attend the LGANT General Meeting as Katherine Town Council's representative group.
3. LGANT be notified on the nominated KTC representatives.

CARRIED: 6 / 0

15.1 KEEP AUSTRALIA BEAUTIFUL

File: Local Governance / Council Meetings / Infrastructure & Environment Reports

MOVED: Tapp Coutts / Zelle

CEO – This is an initiative by KTC's Depot staff and is a good sign that they are taking pride in their town. We should promote this across Katherine, not only do Council need to be involved, but the whole community should be encouraged to participate.

Mayor Miller – Very happy this initiative has come from the Depot staff. They should be congratulated on this proactive suggestion.

Alderman Gazey – This indicates KTC will participate in the 2020 competition. Can we enter in the 2019 competition?

XIE – We could enter this year, with judging in August. However, Depot staff think it would be more achievable to aim for 2020. There is a lot of lead up work with other agencies, i.e. DIPL, residents and community bodies. We all need to work together toward a cleaner town. Simple things such as residents mowing verges etc. can make a big difference. It will take time to have a good shot at the competition. Depot staff are now taking ownership of specific areas, such as the Cenotaph. This is creating a healthy competitive spirit amongst the crew.

Alderman Gazey – So we are moving toward the 2020 competition?

XIE – Yes, that is the achievable goal.

Alderman Raynor – This campaign will plant a tree for every \$10 spent. So, if we enter at a cost of \$660, "Keep Australia Beautiful" will plant 66 trees? Do we have a say on the tree selection?

Mayor Miller – They can consult with the entrants.

Alderman Raynor – It will be good to see a start to the initiative this year. It will create a public awareness for the future 2020 competition.

Alderman Tapp Coutts – Could we focus on the litter this year? We could enter one category this year, "litter control", then grow on that for 2020. However, we do need to listen to Depot staff though, as they are the ones with experience and knowledge on current workload demands.

CEO – Depot staff, as well as the whole of the organisation are still working to develop our systems. Add the project works and ongoing maintenance of Council facilities and it is a very full schedule. From an operational side, entering the 2020 competition make sense.

That it be recommended to Council that:

1. That Council agree to become a member of the Keep Australia Beautiful Organisation.
2. That an amount of \$660 be provided in the 2019/2020 budget for the membership fee.
3. That the Katherine Town Council's outdoor staff be congratulated on this initiative.

CARRIED: 6 / 0

15.2 Tender 18/14 – CBD Revitalisation Design Consultancy

File: Tenders / Tenders 2018 / T 18-14 CBD Revitalisation Design Consultancy

MOVED: Tapp Coutts / Clark

CEO – This is good news overall. Tender for consultancy and design has closed and the results of the panel's assessment are contained within the report. This tender was for the consultancy works only. Five (5) responses were submitted, of which three (3) were valid. On Page 2 of the report, are the submitted prices. The criteria weightings used are those approved by Council in January 2019. I do note the highest value for money was not selected. One tenderer had not included all the elements of the tender in their pricing. Ashford's had included every element and scored well across all aspects of the tender.

Deputy Mayor Clark – Was there any requirement to provide feedback on whether they had done similar jobs?

PM – In the RFT, tenderers were asked to nominate projects of similar size.

CEO – Ashford's provided good examples.

Alderman Gazey – Is this to come up with the plan or realised some deliverables / visible change for the CBD?

CEO – This tender is for the consultants to develop a master plan. Project infrastructure tenders will follow after design completion.

Alderman Tapp Coutts – Is community consultation part of this tender?

CEO – Yes, consultants will be engaged for several meetings to ensure we cover aspirations of the community into the works.

That it be recommended to Council that:

1. Tender 18/14 – CBD Revitalisation Design Consultancy, be awarded to Ashford Group Architects at their schedule of rates price of \$399,554 (GST exclusive).

CARRIED: 6 / 0

16. **GENERAL BUSINESS**

Alderman Tapp Coutts – Youth Week will occur in April. Could KTC have an event perhaps Year 11 & 12 students? They could see what it is like to be an Alderman for day, i.e. have a mock Council meeting, take them on tours around the town, show them what projects Council work on, etc. Aldermen would be required to have an input into the event.

CEO – Council already does do a lot over Youth Week. We provide coordination of events, advertising and participation with library, aquatic centre etc. But we could, with Aldermen help, develop something along these lines.

Alderman Tapp Coutts – Katherine Museum are in dire need of the second part of museum redevelopment to be commenced and completed. Family of resident who have passed are providing a lot of historic items to museum, another large consignment of items was recently received and will need to be housed. More staff are required to help with curating activities. As a minimum, can KTC consider additional storage and air conditioning as a priority.

CEO – We are working with MLA Nelson on Long Term planning aspects for the museum. In the short term, Council Officers will meet with the museum to see what can be achieved. Strategic plan, marketing plan, financial sustainability are topics for discussion.

Alderman Tapp Coutts – There is a paper put together I can provide to Council Officers.

Mayor Miller – It's International Women's Day on 9 March. Organisers are investigating the possibility of a march over the Katherine bridge.

Alderman Raynor – 77th Anniversary of Bombing of Darwin commemorations were held today (19 February). On 22nd March the RSL will host the 77th Bombing of Katherine, to be held at the Katherine Museum.

Deputy Mayor Clark – Katherine is looking at a great year coming up, with all these new projects getting started. The Tidy Town initiative is a good one and we should all work together to make it happen. I would like to get the schools on board too. Down south, there is a push for schools to be involved with recycling activities. I would like to see each Alderman take on a school in town to work up plans for recycling etc. KTC should also encourage our shop owners to consider recycling. KTC could lead the way, similar to last year's "Zero Waste" campaign.

Alderman Gazey – When is the new Communications Officer starting? The "Let's Talk Katherine" community forum information has not gone out to the community effectively. KTC should at least send out something to those people who registered at the forum.

Mayor Miller – Leave of absence 26 – 17 March. In Launceston 27th for Nitmiluk Board meeting and then the 1st to 3rd March Aust Tourism Awards. I will then be taking some leave. I thank EMs for attending the "2019 Year Ahead" with the Chief Minister. This was one of the best presentations I have heard from our Chief Minister. Katherine was well represented and everything we are planning was mentioned in the 2019 Year Ahead documentation. Katherine is in for some exciting times this year.

A new Family and Children's Centre was also announced for Katherine. Further information will be sought from the Minister's office or from MLA Nelson on this.

17. **CONFIDENTIAL ITEMS**
