Lauren and Robert went to the Business Centre today and there are three Grants that are applicable.

1. Immediate Works Grant for \$50,000

2. Small Business Survival Grant

3. Job Keeper Grant

One is partially written and two need to be organised. Robert, Lauren, Jodie and Jacquie will meet on the weekend to work on them. John Obrien requested that he look at the documents before they are sent.

Robert said we need to get the staff back on board to do the work we can whilst we have no visitors. Before we knew about the Job Keeper Grant, we had discussed at the previous Meeting of reducing hours for Eden and Simmone. Robyn was the only staff member we officially stood down. We now know that we will be in a position to employ Robyn up to the \$750 per week. Robert said taking that on-board, we still need to advise Robyn of her role and that she needs to come back to work.

Robert said there were no other matters that needed to be discussed. Stay safe.
