AUDIT AND RISK MANAGEMENT COMMITTEE CHARTER & POLICY

1. AUDIT AND RISK MANAGEMENT COMMITTEE CHARTER & POLICY

- 1.1 The Audit and Risk Management Committee Charter & Policy ('Policy') relates to Katherine Town Council ('Katherine Town Council').

2. COMMENCEMENT OF POLICY

- 2.1 This Policy will commence from 24/06/2020. It replaces all other policies, if any, relating to Audit and Risk Management Committees (whether written or not).

3. INTRODUCTION

The Northern Territory Local Government Act Accounting Regulations (Part 5, Section 10) requires Council to establish an Audit and Risk Management Committee as part of their internal control framework. Specifically, the Regulations provide that an Audit and Risk Management Committee is to monitor compliance by Council to:

- Proper standards of financial management; and
- Regulations and the Accounting Standards.

4. ROLE OF THE AUDIT AND RISK MANAGEMENT COMMITTEE

The Audit and Risk Management Committee is an independent advisory body established within Council under the regulations set by the Local Government Act. The Audit and Risk Management Committee provides an important independent role between Council and its management and between Council and its community. The Audit and Risk Management Committee has no authority to act independent of Council and can only act in areas covered by this charter and policy.

The Audit and Risk Management Committee plays a central role in independently reviewing Council's internal control processes and provides Elected Members with a level of assurance on the effectiveness of the Council's financial and corporate governance practices as well as compliance with legislative and regulatory requirements.

The Audit and Risk Management Committee can assist in identifying areas where changes are required to reduce the risk of Council's exposure to fraud or unauthorised transactions. The Audit and Risk Management Committee may also act as a conduit between Council and its auditors to help improve financial reporting, accountability and transparency within Council.

The role of the Audit and Risk Management Committee includes:

- Monitoring the effectiveness of the audit function and the implementation of audit recommendations.
- Providing an independent line of reporting by the auditor to Council.
- Reviewing compliance with legislative requirements, contracts, standards and best practice guidelines.
- Reviewing and recommending to Council the annual financial statements.
- Monitoring changes in accounting and reporting requirements.

- Reviewing policies relating to codes of conduct, conflicts of interest, misconduct, fraud and revenue.

5. AUDIT AND RISK MANAGEMENT COMMITTEE ROLES AND RESPONSIBILITIES

The Audit and Risk Management Committee will play an active role in:

- Developing and maintaining a culture of accountability, transparency and integrity;
- Facilitating the integration of good financial and corporate governance practices into day-to-day business activities and processes;
- Promoting a culture of cost-consciousness, self-assessment and adherence to high ethical standards; and
- Promoting a culture of performance and achievement of outcomes.

6. AUDIT AND RISK MANAGEMENT COMMITTEE MEMBERSHIP

Members of the Audit and Risk Management Committee are appointed by Council. Ideally the composition of the Audit and Risk Management Committee should comprise of a minimum of at least three (3) members. This includes a Chairperson, one (1) independent representative, one (1) Elected Member, Council's Chief Executive Officer and the Director of Corporate & Community Services.

Selection Process

Consideration should be given to the type of skills, personal attributes and practical experience each independent representative must have before being nominated. Factors to consider include:

- Level of understanding of Local Government and Council's operations;
- Level of knowledge and practical exposure on governance and financial management practices;
- Capacity to dedicate adequate time to the committee;
- Depth of knowledge of regulatory and legislative requirements; and
- Ability to maintain professional relationships particularly with Elected Members, staff and other stakeholders.

Refer to Katherine Town Council's Chairperson and Independent Representative responsibilities (Position Descriptions).

7. AUDIT AND RISK MANAGEMENT COMMITTEE MEETINGS

The Audit and Risk Management Committee will convene a minimum of once in a twelve-month period. Alternatively, a committee meeting can be convened when Council or the Chairperson so requests. In such situations, a minimum of seven days' notice must be given unless it is an emergency meeting.

The meeting agenda and previous minutes are provided to committee members no less than seven calendar days prior to a scheduled meeting.

Meetings are conducted to allow a full and frank exchange of views while at the same time ensuring that a positive committee culture is maintained. A full set of minutes is to be kept.

In order to provide an even distribution of work over each financial year, the committee will adopt a twelve-month calendar, which includes all scheduled committee meetings.

8. AUDIT AND RISK MANAGEMENT COMMITTEE – ATTENDANCE AT MEETINGS AND QUORUMS

Attendance at committee meetings by members can be in person and/or via audio/audio-visual conference. A quorum consists of no less than 50% of members. Audit and Risk Management Committee members should endeavour to attend at least 75% of scheduled meetings.

9. AUDIT AND RISK MANAGEMENT COMMITTEE – TERM OF APPOINTMENT AND TERMINATION OF COMMITTEE MEMBERS

All Audit and Risk Management Committee members (other than Council staff) are appointed for a two-year period. Audit and Risk Management Committee members, not being the Chairperson, cease being a member of the committee if they provide, in writing, a letter of resignation. The Chairperson is an independent member, who is appointed by Council for a set period and can be terminated by Council subject to the appointment agreement.

10. AUDIT AND RISK MANAGEMENT COMMITTEE - CONFLICT OF INTEREST

All committee members have a legal obligation to disclose to the committee, any material personal interest which relates to the business of Council. When an issue arises at a committee meeting, relating to such an interest, the Chairperson will advise the committee member of the following:

- Not attend the meeting while the matter is discussed and that they may not vote on such an issue, unless the non-conflicted members pass a resolution that the member may either remain for the discussion but not vote or remain for the discussion and vote.

The non-conflicted members will only pass such a resolution when they are strongly of the view that the nature of the conflict does not inhibit the conflicted member from deciding in the best interest of Council. Members have an obligation to disclose to the committee any other interest which the member believes is appropriate to disclose in order to ensure there is no actual or perceived conflict of interest.

11. AUDIT AND RISK MANAGEMENT COMMITTEE – AUTHORITY/DELEGATION/POWERS/LIMITATIONS

It is important that Elected Members understand that the Audit and Risk Management Committee is established as an advisory body. It is the responsibility of Council, not the Audit and Risk Management Committee, to make decisions on how and what action/s will be taken on matters brought to the attention of Elected Members by the Audit and Risk Management Committee.
