## LAKSA FOOD TOUR & COMPETITION

The Laksa Food Tour encourages people to use the Laksa Festival App to visit as many businesses as possible throughout the month, rating each dish they taste before voting for their favourite.

This element of the Festival is free to enter and provides opportunities for businesses to receive media exposure, as well as visitation from new and existing customers.

Two categories are included in the tour, People's Choice Laksa and People's Choice Inspired-By Dish. Entering a laksa to the Laksa Food Tour automatically enters you into the official blind tasting competition to win the Golden Bowl and the title of Darwin's Best Laksa. New awards for Best Display of Local Produce and Best Regional Laksa have also been included in this year's competition.
