

FEES & CHARGES 2019/2020

Effective 1st July 2019

The object of the Katherine Town Council Fees & Charges is:

To provide a fair and equitable system for allocating and charging for the use of Katherine Town Council facilities, resources and equipment;

To ensure consistency and transparency in decision making;

To encourage efficient and effective use of Katherine Town Council's resources;

To allow Katherine Town Council to proactively manage Council facilities, ensuring the long-term sustainability of Council facilities;

To enable allocations of facilities and resources appropriately; and

To promote positive user attitudes and responsibility towards Council facilities.

For the purpose of Katherine Town Councils Fees & Charges the following definitions apply:

Commercial

Prices are established in accordance with the existing market.

User Contributes

Prices are set at what Council considers to be a reasonable cost for the user to bear. The balance of necessary funds is sourced from general revenues.

Cost Recovery

Prices are set to cover the total cost of providing the goods or service.

Fixed Penalty

Prices are set by Legislation.

FACILITY HIRE

Katherine Town Council maintains and manages a variety of facilities available for hire for various purposes (please refer to attached full list of hireable facilities).

All facilities are available for hire by not-for-profit groups and private users. Selected facilities are also available to commercial users.

Facilities range from sporting venues and halls to meeting and conference facilities and can be hired on a half day, full day, short term seasonal (excluding commercial) or long-term seasonal basis (excluding commercial).

General Hire Terms

All hirers are to be advised that the Council's requirements for meetings, events etc. must take precedence and, on occasions, a booking may have to be cancelled in terms of this rule. If this occurs an alternative venue will be provided where possible.

All items are to be returned to their original position at the completion of the hire/use.

Hirers are responsible for any damage that occurs or if the facility is left in an excessively dirty state. All rubbish is expected to be deposited into bins provided. If the facility is left in an excessively dirty state, the hirer will be notified and given a specific time limit to remedy the situation. Otherwise, Council will organise the cleaning and the fees incurred in doing so will be taken from the Hirer's deposit.

Any additional days added to a hire will incur additional cleaning costs.

Community Group (Not-For-Profit)

Community Groups (Not-For-Profits) are groups who are not operating for the profit or gain of its individual members. This means that the group operate exclusively for charitable, civil or social purposes and does not share or allocate its funds or profits to its owners, shareholders or executives. A not-for-profit community group must be incorporated or partner with an incorporated group.

Commercial Group

A commercial organisation is any group with a particular set of skills, priorities, strategies and resources that organise to collectively achieve the specific aim of making a profit. This type of hire is only available on a half day or daily basis.

Private

Private use is an individual who wishes to hire a Council facility for a non-business (private) reason. This type of hire is only available on a half day or daily basis. The personal hire must include notification to the Northern Territory Police (Katherine branch) of any event if alcohol is to be consumed.

Daily Hire

Daily hire allocations will be made on a half or full day basis. A half day hire is defined as any 4-hour period and a full day hire is any period exceeding 4 hours and no more than 24 hours.

Daily hires are subject to fees and charges as per the Katherine Town Council's Fees & Charges.

Daily Hires are available to not-for-profit groups, private users and commercial users (selected facilities).

Short Term Hire

Short term hire allocations will be made on a 10-week basis (sporting season). If additional weeks are required a weekly hire cost can be arranged with Council. Allocation of specific grounds is made for both training and match playing purposes (maximum of three facilities per hire plus one ablution block). A short-term hire does not provide clubs and/or associations with exclusive use of the facility. Each individual short-term hire is for one organisation only. Short term hires are only available for consistent/regular users.

Short term hires are not guaranteed from year to year and will be subject to the application process.
Short term hires are subject to fees and charges as per the Katherine Town Council's Fees & Charges.
Short term hires are only available to community groups.

Long Term Hire

Long term hire allocations will be made on a yearly calendar basis. Allocation of specific grounds is made for the designated application purpose only (maximum of three facilities per hire plus one ablution block). A long-term hire does not provide clubs and/or associations with exclusive use of the facility. Each individual long-term hire is for one organisation only. Long term hires are only available for consistent/regular users. A long-term hire applies to the calendar year i.e. 1 January to the 31 December – payment required financial year basis

Long term hires are not guaranteed from year to year and will be subject to the application process.
Long term hires are subject to fees and charges as per the Katherine Town Council's Fees & Charges.
Long term hires are only available to community groups.

Key Deposits

Where indicated, key deposits are required at a cost of \$45.00 per key and \$180.00 per set of keys required to complete the hire.

Keys are available for collection on the working day prior to the event/hire – unless approved by prior arrangement.

Keys are to be returned at the completion of the hire (daily, short term, long term hire). If keys are not returned Council will invoice the hirer for the cost of replacement of locks and keys.

An additional charge of \$22.00 per key will be levied in addition to keeping the deposit for keys that are not returned at the completion of any hire

Facility Deposits

Every facility hire will require a deposit of \$520. Katherine Town Council will accept purchase orders for payment of facility hires. The deposit will be held by Council until the completion of the hire and all inspections have occurred. Once inspections are completed the deposit will be returned to the hirer.

If in Council's opinion there is a possibility of higher risk of damage to a Council facility Council reserves the right to increase the amount of deposit. (For example: Circus could be \$1,500.00)

Power/Water Charges

Low User

A hire type that uses minimal power and water. Minimal use of power and water can be determined by the negligible use of the product that would constitute the hirer meeting the probable cost of power and water for that hire. Negligible use can be defined as to be so small as to be nearly inconsequential.

A low user will be billed \$4.40 per item hired per day.

Medium User

A hire type that uses a moderate amount of power and water. Moderate use of power and water can be determined by the reasonable use of the product that would constitute the hirer meeting the expected costs of power and water for that hire. Reasonable use can be defined as to be moderate and within the limits of reason.

A medium user will be billed \$8.90 per item hired per day.

High User

A hire type that uses an extensive amount of power and water. Extensive use of power and water can be determined by the copious use of the product that would constitute the hire meeting all costs associated with power and water for that hire. Copious use can be defined as to be in large amounts.

A high user will be billed \$24.60 per item hired per day.

Public Liability Insurance

All hirers must provide proof that they hold current public liability insurance cover to indemnify the Northern Territory Government and the Katherine Town Council of any liability which may arise from operations at the hire location. Minimum cover \$10,000,000.

FREEDOM OF INFORMATION

The *Information Act* gives people the right to access information from Northern Territory Government agencies, including councils, subject to several exemptions to protect public and private interests. This does not include information that is already available under an existing "access arrangement", such as council minutes, which are available without applying under the Act.

The Act has three main aims, which fall into the following categories:

Availability

Council is required to make available to you documents about its functions and operations. This includes information about its structure, decision-making processes, public participation through boards, councils or committees, and policy documents. You can download some of these documents, from Council's website. You can also ask to see such documents or purchase copies at the Civic Centre.

Access

The Act also gives you the right to apply for documents, including those about you, held by Council. You can examine and have copies of these documents. You also have rights of appeal if Council does not give you access to documents you want to see.

Amendment

You can apply for information about your personal affairs to be changed if you believe it is inaccurate, incomplete, out-of-date or misleading.

Some documents are exempt under the Act to protect essential public interests or the personal or business affairs of others. Sometimes part of a document may not be available if it contains information which is exempt (e.g. name and address of complainant/s). If you are refused access to a document or given partial access only, Council must give you written reasons for the decision. Council must also tell you of your rights of appeal.

Application Costs

There is no application fee to look at documents about your personal affairs. You can also ask for copies of these documents for 20c per A4 page.

However, there is an application fee of \$30.00 for requests for access to non-personal affairs documents (i.e. complaints made by another person) and other charges for processing and making photocopies.

See <http://www.oaic.gov.au/> for the fee structure under the Act.

The Act requires that your application be made in writing, please address your letter to:

CEMETERY

The Katherine Cemetery is to be maintained as a high standard Lawn Cemetery. Grass length will be kept below 70mm and Glyphosate or equivalent will be applied to keep headstones and plinths free of grass and weeds. The Cemetery grounds will be irrigated during the dry season.

Toilet facilities will be provided and maintained at the Cemetery. The Rotunda will be maintained as a shady retreat for families and visitors.

A mobile shade structure will be provided and maintained by Council. Deployment of the shade structure for funerals will be the responsibility of the Funeral Director.

Graves

The digging of graves will be approved by Council. The staggering of grave sites will be undertaken as follows:

XXXX	UNUSED
UNUSED	XXXX
XXXX	UNUSED
UNUSED	XXXX
XXXX	UNUSED

Unused sites will not be allocated until a minimum of 12 months after the use of the neighbouring sites. All graves will be dug to a minimum depth of 2.1 metres to accommodate a double grave. Backfilling will be carried out using the original excavated material. When the grave begins to settle the site will be speared and topped up with soil as required. Grass seed will be sown. Double burials in graves will be pursuant to Regulation 19 of the Cemeteries Regulations 1981 and the *Northern Territory Cemeteries Act 1980*. Council will supply each grave site with a single head stone measuring at the base 600mm x 200mm and at the top 100mm x 600mm and 300mm high. Relatives of the deceased may purchase headstones of marble or similar material. However, they must be of the same dimensions.

Plaques

Council will supply each grave site with an identification plaque measuring 137mm x 102mm made of bronze. Relatives may order larger plaques at their own cost. Plaques will be attached as soon as possible after burial.

Old Katherine Cemetery

Council assumed control of the Katherine Cemetery on the first day of July 1978 and acknowledges that precise identification of some specific grave sites prior to this date has proved difficult. In these cases, Council will supply a plaque measuring 203mm x 76mm of bronze that will be mounted in the rotunda at the Cemetery.

Cremated Remains

Council will provide a specific area at the Cemetery in which cremated remains may be interred, either permanently or temporarily. A plaque, measuring 229mm x 229mm will be provided for these internments. A request to remove cremated remains must be in writing to the Chief Executive Officer and must be in the form as required by the Council.

Cemetery Fees

Cemetery fees will be reviewed annually in line with the *Cemeteries Act* and Regulations and be set on a cost recovery basis. Where relatives, at their own cost provide alternative headstones and plaques, burial fees will be adjusted accordingly.

Fencing

Fencing or the erection of private decorative gardens at gravesites in the Katherine Cemetery is prohibited in order to maintain the visual amenity of the Lawn Cemetery and enable effective maintenance.
