

8 November 2021

Clinton Firth
AFL-NT

Dear Dennis

CONSTRUCTION OF NEW AFL FACILITY

As requested, please see further information and data from AFLNT that will hopefully support the proposal for a new AFL facility in Katherine.

Firstly, if a new facility is built, AFLNT Katherine would love the opportunity to be a major tenant of the facility. Obviously, the terms and conditions of this would have to be worked through at a later date.

I have attached photos (appendix 1) of the current facility at the Showgrounds. These photos show the ageing and wear and tear of the facility and what we see as the need for an upgrade. The number of changerooms are a major concern as female football in the region is growing rapidly and the current number of changerooms does not accommodate male and female teams to be able to share the facility.

See attached (appendix 2) the official AFLNT participation data which shows the growth in AFL participation within the region of recent years. These numbers are expected to continue to grow rapidly over the coming years and we believe we have a model to increase participation whilst also maintaining the sustainability of our programs and competitions.

As of last year, AFLNT employed a second full time staff member in the region with also the possibility of a 3rd full time staff member in the near future. Future programs we are looking into is "Footy for the disabled", AFL9's, Kinderkick and a female talent academy.

See also last years fixture attached (appendix 3). This will grow in the coming years with the slow introduction of more teams. We are currently in discussions with Nauyu (West Daly) about them entering the competition in 2022.

Your sincerely,

Clint Firth
Big Rivers Regional Manager
