FACILITY HIRE

Hireable spaces include a range of sporting venues, halls and conference facilities that can be hired on a Full day, short term seasonal or long-term seasonal basis (excluding commercial).

GENERAL HIRE TERMS

Council's requirements will take precedence and on the occasion that a booking may have to be cancelled, Council will to the best of its ability try to find an alternative venue where possible or reimburse the full hire amount back to the hirer.

Hirers are responsible for any damages that occur or if the facility is left in an excessively dirty state. All rubbish is expected to be deposited into bins provided. If the facility is left in an excessively dirty state, the hirer will be notified and given a specific time limit to remedy the situation. Otherwise, Council will organise the cleaning and any fees incurred will be invoiced to the hirer.

Any additional days added to a hire will incur additional costs.

All items are to be returned to their original position at the completion of the hire/use.

NON – COMMERCIAL

Non – Commercial groups who can be identified as being a Community Group, i.e., Not-For-Profit organisation, are groups who are not operating for the profit or gain of its individual members. This means that the group operate exclusively for charitable, civil or social purposes and does not share or allocate its funds or profits to its owners, shareholders or executives. A Not-For-Profit community group must be incorporated and/or partnered with an incorporated group.

Individuals who wish to hire a Council facility can do so for a non-business (private) reason only. A personal or private hire is only available on a daily basis.

COMMERCIAL GROUP

A commercial organisation is any group with a particular set of skills, priorities, strategies, and resources that organise to collectively achieve

the specific aim of making a profit. This type of hire is only available on a daily basis.

SHORT-TERM HIRE (COMMUNITY GROUPS ONLY)

Short-term hire allocations will be made on a 10-week basis (sporting season). If additional weeks are required, a weekly hire cost can be arranged with Council. Allocation of specific grounds is made for both training and match playing purposes. A short-term hire does not provide clubs and/or associations with exclusive use of the facility. Each individual short-term hire is for one organisation only. Short term hires are only available for consistent/regular users.

Short-term hires are not guaranteed from year to year and will be subject to the hire application process.

LONG-TERM HIRE (COMMUNITY GROUPS ONLY)

Long-term hire allocations will be made on a yearly calendar basis. Allocation of specific grounds is made for the designated application purpose only. A long-term hire does not provide clubs and/or associations with exclusive use of the facility only. Long-term hires are only available for consistent/regular users.

A long-term hire applies to the calendar year, i.e., 1 January to 31 December and subject to the annual application process.

Initial charges for both short-term and long-term hires will be calculated for each user group based on up to three facilities e.g. the oval, toilets/change rooms, and storage. Charges will be assessed according to the number of days used for training and competitions. Training days will be billed at 50% of the full day rate, while competition days will be billed at 100% of the full day rate. Once these charges are established, a subsidy formula will be applied to determine the level of financial support. Please be aware that you may be required to provide additional documentation to support your request for a hire fee subsidy.

KEY AND FACILITY DEPOSITS

Where indicated, Key deposits are required at a cost of \$47.70 Per key and \$190.80 per set of keys required to complete the hire.

Keys are available for collection on the working day prior to the event/hire – unless approved by prior arrangement.

Keys are to be returned at the completion of the hire. If keys are not returned, Council will invoice the hirer for the cost of replacement of locks and keys.

If, in the Council's opinion, there is a higher risk of damage to a Council facility, the Council reserves the right to require a facility deposit. The standard facility deposit is \$520.00; however, depending on the type of hire, this amount can be increased at the Council's discretion.

ADMINISTRATION FEE

An administration fee of \$25.00 per occasion will be incurred if any alterations are made after the hirer has accepted the facility hire quote and the booking confirmation has been sent. This includes cancellations or alterations to the date of hire.

RESPONSIBILITY FOR DAMAGE TO COUNCIL PROPERTY

The cost of damage to Council property will be recovered from the party responsible. The hirer will be held responsible and in the case of a permit/licence holder, they will be held responsible. The cost and repairs will be calculated at the cost recovery amount of materials and services used plus any Council labour costs, plant, and overheads.

The cost of repairs will be calculated as follows:

Actual invoiced cost to Council of materials and services used.

Plus, cost of Council labour, plant and stores used to include overheads.

- = Sub Total + 15%
- = Total Cost that will be recovered.

Council will conduct a pre and post check of the facility.

EVENTS WITH ALCOHOL

Katherine is subject to strict alcohol management conditions imposed through the *Liquor Act 2019*. The consumption and possession of alcohol in public places is prohibited, and consumption and possession in other places is restricted.

Should the event be open access (i.e., all ages), the service of alcohol must not compromise access to the event.

All hirers must ensure they have the appropriate liquor licences and/or permits in place if they intend to supply alcohol, whether free or for sale, at an event. Further information is available on the Northern Territory Government website at <https://nt.gov.au/industry/hospitality>.

If you wish to apply for a Consume Liquor in a Public Place permit in conjunction with a Hire Agreement, please speak with our friendly Customer Service for more information. Please note, permits are only issued on Council owned land. Council reserves the right to impose additional conditions, including security arrangements, recovery of cleaning costs and an increased deposit if it is deemed necessary by the Chief Executive Officer.

INDEMNITY

All hirers are required to have public liability cover and proof of insurance must be supplied for your hire to be approved.

All hirers must provide proof that they hold current public liability insurance cover to indemnify the Northern Territory Government and the Katherine Town Council of any liability which may arise from operations at the hire location. Minimum cover \$10,000,000

EQUIPMENT HIRE

The use of the equipment is subject to the following conditions:

- The hirer must have public liability insurance not less than \$10,000,000.
- The equipment is only available for hire in the Katherine Municipality.
- The equipment cannot be loaned until the hire agreement, payment and public liability insurance certificate of currency have been provided to Council.
- Equipment deposits will be refunded to the hirer following an inspection and verification by Council that the equipment has been fully returned and undamaged. Council may deduct an amount from the equipment deposit to cover the cost of any expenses arising from the need to repair, replace or clean the equipment. All transportation of the equipment (if necessary) is the responsibility of the hirer.
- It is the hirer's responsibility to collect and return the cool room to the council depot in Crawford St by 8.00am on the first working day after the hire.
- If in Council's opinion there is a possibility of higher risk of damage to Council equipment, Council reserves the right to increase the deposit amount.

FREEDOM OF INFORMATION

The Information Act (*The Act*) gives people the right to access information from Northern Territory Government agencies, including councils, subject to several exemptions to protect public and private interests. This does not include information that is already available under an existing "access arrangement", such as council minutes, which are available without applying under the Act. An application fee of \$30.00 (including GST) must be made before an application for information is accepted, as well as search, processing and copying fees. Once your request for information has been assessed, Council may ask you to pay a processing fee.

The Act has three main aims, which fall under the following categories:

Availability

Council is required to make available to you documents about its functions and operations. This includes information about its structure, decision-making processes, public participation through boards, councils or committees, and policy documents. You can download some of these documents from Council's website. You can also ask to see such documents or purchase copies at the Civic Centre.

Access

The Act also gives you the right to apply for documents, including those about you, held by Council. If approved, you can examine and have copies of these documents. You also have rights of appeal if Council does not give you access to documents you want to see.

Amendment

You can apply for information about your personal affairs to be changed if you believe it is inaccurate, incomplete, out-of-date or misleading.

Some documents are exempt under *The Act* to protect essential public interests or the personal or business affairs of others. Sometimes part of a document may not be available if it contains information which is exempt (i.e., name and address of complainant/s). If you are refused access to a document or given partial access only, Council must give you written reasons for the decision. Council must also tell you of your rights of appeal.

You will first need to pay a deposit for this processing fee. Once you've paid the deposit,

Council will process your request and then tell you what access is available. You'll then be asked to pay the balance of the processing fee and the information that has been determined to be released will be given to you.

See <http://www.oaic.gov.au/> for the fee structure under the Act.

Applications can be made in writing, please address your letter to:

CEMETERY

The cemetery has toilet facilities, a rotunda as a shady retreat for families and visitors and a mobile shade structure that can be used for funerals. However, the shade structure will be the responsibility of the funeral director.

GRAVES AND PLAQUES

Council assumed control of the Katherine Cemetery on the first day of July 1978 and acknowledges that precise identification of some specific grave sites prior to this date has proved difficult. In these cases, Council will supply a plaque measuring 203mm x 76mm of bronze that will be mounted in the rotunda at the cemetery.

Vacant grave sites will not be allocated until a minimum of 12-months after the use of the neighbouring site. Graves will be dug to a minimum depth of 2.1 metres to accommodate a double grave. The grave will be backfilled with the original excavated material and when the grave begins to settle the site will be re-topped with soil as required. Grass seed will be sown, and Council will supply each grave site with a single head stone measuring at the base 600mm x 200mm and at the top 100mm x 600mm and 300mm high. Relatives may purchase headstones of marble or similar material. However, headstones must remain the same dimensions.

Council will supply each grave site with a bronze plaque measuring 137mm x 102mm, relatives may order larger plaques at their own cost. Plaques will be installed as soon as possible after the burial.

CREMATED REMAINS

Council will provide a specific area at the cemetery in which cremated remains may be interred, either permanently or temporarily. A plaque, measuring 229mm x 229mm will be provided for these internments. A request to remove cremated remains must be in writing to the Chief Executive Officer and must be in the form as required by Council.

FLOWER AND ORNAMENT GUIDELINES

Katherine Town Council is committed to maintaining Katherine Memorial Cemetery's tidy presentation. We understand that people want to decorate a grave or memorial for sentimental or religious reasons. To ensure this is done in a safe and tidy way please ask Council for a copy of the Flower and Ornament Guidelines. The erection of fencing or private decorative gardens are prohibited.

CEMETERY FEES

Cemetery fees will be reviewed annually and will be set on a cost recovery basis. Where relatives, at their own cost provide alternative headstones and plaques, burial fees will be adjusted accordingly.
