#### **Background**

The town of Katherine will celebrate its 100th birthday on 1st July 2026. This will mark 100 years since the original declaration of the township as it stands today.

With the establishment of the Centenary of Katherine 2026 Advisory Committee, Council staff have sorted feedback from committee members as to what this celebration may look like. A high-level event concept was developed and provided to members through the 5<sup>th</sup> February 2024 Advisory Committee Meeting.

**Discussion**

With the program of events scheduled to commence in 18 months, the major event schedule needs to be determined and endorsed by the Advisory Committee and in turn confirmed by the Council to allow for detailed event concept development, budget development and identification of funding sources.

The attached event concept details the major, Centenary specific events that Katherine Town Council will lead and minor Council events that will incorporate Centenary theming. All these events will be led by Council and will require at least partial funding allocation from internal revenue sources ie. Council budget.

**PLEASE NOTE:** The attached event concept document does not detail all events included as part of the Centenary celebrations, only those currently requiring Council budget allocation. Ongoing event development will still allow the inclusion of further partner/supporter events with the final event series to be determined in late 2025.

**Consultation Process**

This event concept document has been developed in conjunction with the Centenary of Katherine Advisory Committee.

**Policy Implications**

There are no policy implications resulting from the decision.

**Budget and Resource Implications**

There are no direct budget implications at the Advisory Committee level. Known budget and resource implications will be detailed as part of reporting through to Council for final confirmation.

**Risk, Legal and Legislative Implications**

There are no risk, legal and legislative implications.

**Environment Sustainability Implications**

There are no environmental sustainability implications.

## 7.2 CENTENARY OF KATHERINE 2026 COMMUNITY GRANTS PROGRAM

Author: Rosemary Jennings, Manager Community Relations  
Authoriser: Ingrid Stonhill, Chief Executive Officer  
Report Type: For recommendation to council  
Attachments: Nil

---

### **Officer Recommendation**

That the Centenary of Katherine Advisory Committee:

1. Endorses the development of a Centenary of Katherine Community Grant Program
2. Request the endorsement of Council for the Centenary of Katherine Community Grant Program; and
3. Request the allocation of \$40,000 by the Council for the 2025/26 Budget year for the purpose of funding the grant program.

### **Purpose of Report**

To seek formal endorsement by the Centenary of Katherine Advisory Committee of the development of a Community Grants program, specifically aimed at events, initiatives and activities that contribute to the celebration and recognition of the centenary of Katherine 2026.

### **Strategic Plan**

**5. ARTS, CULTURE AND HERITAGE - 5.3 Our Rich Heritage - Reinvigorate Katherine by preserving, embracing and showcasing our rich arts and heritage.**

5.3.2 Create opportunities and partnerships to develop the arts, culture, and heritage sector.

### **Municipal Plan**

**3.1 Community Services - Community Events and Collaboration**

3.1.2 Collaborate with community partners.

### **Background**

The town of Katherine will celebrate its 100th birthday on the 1<sup>st</sup> of July 2026. This will mark 100 years since the original declaration of the township as it stands today.

With the establishment of the Centenary of Katherine 2026 Advisory Committee, Council staff have sort feedback from committee members as to what this celebration may look like along with supporting activities and initiatives, such as a community grants program specifically aimed at events, initiatives or activities that contribute to the celebration and recognition of the centenary of Katherine 2026.

### **Discussion**

With the development of the overall events schedule under way, the Committee has discussed further opportunities to engage the wider community in the celebrations. The concept of a Centenary specific grant program was raised, noting that this could allow individual and not for profit groups, not already identified through the stakeholder engagement process, to propose supplementary events, initiatives or activities that complement the existing program of events.

It is proposed that the Centenary Grant Program will:

- Be a one-off funding program
- Be in addition to the existing KTC Community Grants Program

- Apply to events, initiatives or activities that specifically recognise and/or celebrate the Centenary of Katherine and meet the goals/objectives of the Centenary of Katherine Committee.
- Be held within the January – December 2026 period
- Compliment the existing calendar of events
- Be a one-off event, initiative or activity

It is proposed that the total grant funding pool be \$40,000 with grants up to a maximum of \$5,000 available per application. This would allow, at a minimum, eight (8) further events, initiatives or activities to be included into the Centenary of Katherine event calendar.

Subject to endorsement by the Committee and confirmation by the Council, the grant program would be managed within the 2025/26 Council budget, guidelines developed, open for applications in July 2025, close in September 2025 and be awarded in October 2025.

### **Consultation Process**

There was no consultation process required for this report.

### **Policy Implications**

There are no policy implications resulting from the decision.

### **Budget and Resource Implications**

There are no direction budget implications at the Advisory Committee level. Request for budget and resource allocation will be detailed as part of reporting through to Council for final confirmation.

### **Risk, Legal and Legislative Implications**

There are no risk, legal and legislative implications.

### **Environment Sustainability Implications**

There are no environmental sustainability implications.

### **Council Officer Conflict of Interest**

We the Author and Approving Officer declare we do not have a conflict of interest in relation to this matter.

#### **Discussion**

On the 3<sup>rd</sup> of July the council events team contacted their in-house designer Laura Peryman to create some initial draft designs for the Centenary Logo based on a briefing written regarding the Centenary of Katherine and the events associated with it. The logo was pitched as needing to be a visually effective design while also maintaining the ability to be easily transferred onto different materials and formats.

Three draft logos have now been refined to the point that requires committee approval for them to further progress. The design that is approved by the committee will then be taken back to Laura and further worked on based on the comments and suggestions of the committee until it is deemed ready to be presented to the committee again for final approval.
