CARRIED: 4 / 0

4. BUSINESS ARISING FROM PREVIOUS MINUTES

Gavin May entered the meeting at 5.35pm

- Update on where KTC is at with supplying bins for recycling
- KTC to have streamline with making sure the rubbish is making it through to recycling
- Need consistency with the deposit scheme
- Having who is responsible for the recycling a part of the hire agreement
- KTC to provide bins with signage
- Council to have process in place who sorts rubbish and remove caps etc
- Include information in an education program
- Design for the containment cell for the contaminated soil is 90% complete. It is with the auditor and the EPA still needs to sign off
- The costing is higher than KTC initially budgeted for
- Still waiting to get the OC for the new ablution block. Contractor has requested further information which KTC will provide
- Contractor has been engaged to clean up the scrap metal at the lay down area. Works have commenced

MINUTES

5. GENERAL BUSINESS

5.1 KTC Complaints Received

- Council has received multiple complaints re:
 - o Cleaning of areas after usage are the inspections being done
 - o No parking is aloud in the grounds unless it is essential vehicles only
 - o People not part of the club including children should not know the access code or give it out
 - o Speeding in the grounds. People should not be driving in there anyway
 - o Rubbish in the grounds after hire
- If left untidy hirer will be charged the cleaning fee
- Pre and post hire checks are done
- Stuart Hall the roller doors left unlocked, rubbish, food and needles left after hire
- A limit of 2-3 swipe cards will be issued for hirers when new gate motor is installed
- Essential vehicles only to be on the grounds
- KTC waiting on new aerials for the motors will then issue the new cards
- Council may look at other options to stop using a code

Rosemary Jennings left the meeting at 5.53pm

5.2 Buntine and Turf Pavilion Compliance Update

- Contractor has been giving advice re OC for the Buntine pavilion.
- The contractor has completed the assessment and doing up the connection details for the roller door. The contractor is also doing up the architectural plans so a building permit can be issued. This will include alterations required to achieve a Building Code of Australia compliance. Once alterations have been made Council will than be able to apply for the Occupancy Certificate

5.3 Project Update

- Contractor has commenced onsite
- Works were delayed for a couple of weeks
- Works due to be completed before Christmas
- Potable water has been connected to the overflow camping toilets using the SCALE Funding
- Power was looked at being trenched through the conduit at the same time however the 700m was too far
- KTC looking at solar options for the lighting
- Discussion on the possibility of disable access to the toilets
- What area is allocated to what group

5.4 Tunnelling Under Racetrack for Power and Water

- Had meeting about under boring a conduit to supply water and power to inside of track
- Under boring is the only option for safety and to retain integrity of the track surface
- Received quote from local contractor previously, may need to be updated.
- Need to look back on master plan of the area

5.5 Grant Process

- FYI CBF funding is opening soon
- 1 January – round opens and you can apply
- 28 February – round closes
- 30 April – you will be notified

**KATHERINE SHOWGROUNDS AND MULTI-PURPOSE ADVISORY COMMITTEE
MEETING
TUESDAY, 1 December 2020 AT 5.30PM**

MINUTES

5.6 COVID-19

- KTC looking at the new Territory App requirements

Sonya Farley left the meeting @ 6.18pm

6. ACTION LIST

7. GENERAL BUSINESS

- 2 branches fell off near the Secretaries Office and fell onto the cable. Email was sent over the KTC. Was asked in the email to be extra careful when removing the branch and to not damage the cable. The speaker cable was damaged. KSS engaged contractor to fix and will pass on the invoice
- Possible to investigate a mahogany tree removal
- Request that all trees are pruned back before wet season

AFL NT

- AFL back and running at 95% in the NT
- Starting to work on facility audits within the NT
- Requesting the master plan of the facility to work in with the audit

KDKC

- Council to be notified before KDKC erect the fencing. Possible for a pedestrian gate installed
- Kart Club started works on the track
- Discussion on what to do with the cleared tree debris from the KDKC area, wanting to use it as a bank area
- Tree roots and branches will be an issue best to remove them

8. DATE OF NEXT MEETING

Tuesday 2nd February 2021 at the Civic Centre commencing at 5:30pm

8. MEETING CLOSE

The meeting was closed at 6:33pm.

Alderman Lis Clark
Chair
